

Instructions for logging into Meal Magic

Click on the Meal Magic link.

Enter your email address and click on the sign up tab.

Click on the Create Account tab.

Meal Magic will send you a password. Please keep this password.

Using your email address as your login and the password sent by Meal Magic you may enter the system.

Click on the Add A Student tab.

Enter your students id number. If you do not know your students id number you may call the school secretary or Jenny Lucas at 841-8260.

Enter your students first name. The name entered must be the same name that you put on the school forms, usually their full name.

Enter your students last name. The name entered must be the same name that you put on the school forms.

Enter your students birthday in the following manner, MM/DD/YYYY.

Click on the Add tab.

You will be able to see your students balance and view their purchase history.
